

# ECW-300B

Compact Chassis for IEI 3.5" ARM SBC

## Features

- Designed for IEI 3.5-inch ARM SBC platforms
- Compact chassis for space-constrained installations
- Supports wall-mount and DIN-rail installation
- Cost-effective and RoHS compliant design
- Front I/O opening optimized for WAFER series SBC integration

## Specifications

<b>Model Name</b>	ECW-300B
<b>Product Type</b>	Compact embedded chassis
<b>Construction</b>	Heavy-duty metal chassis
<b>Platform</b>	Case only
<b>Compatible SBC</b>	IEI 3.5-inch ARM series SBC: WAFER-RK3568
<b>Drive Bays</b>	N/A
<b>Color</b>	Black + Gray-blue
<b>Mounting</b>	Wall mount, DIN-rail
<b>Cooling</b>	Fanless chassis design / system fan not required
<b>Operating Temperature</b>	-10°C to 50°C
<b>Operating Shock</b>	Half-sine wave shock 5G, 11ms, 100 shocks per axis (with SSD)
<b>Operation Vibration</b>	MIL-STD-810G 514.6C-1 (with SSD)
<b>Weight (Net/Gross)</b>	TBD
<b>Dimensions (DxWxH)(mm)</b>	165 x 110 x 30 mm

## Ordering Information

Part No.	Description
ECW-300B-RK3568-R10	Embedded chassis for WAFER-RK3568

## Packing List

1 x Din-rail mount bracket kit
1 x Assembly kit
2 x wall-mount kits

## Motherboard Options

Part No.	SBC SKU
ECW-300B-RK3568-R10	WAFER-RK3568

## Dimensions (Unit: mm)
